

## Advanced Oxygen Therapy

**Liquid**  
4 fluid ounces

**Order Code: AOT**

*The original Jim Humble advanced oxygen therapy. This therapy raises the oxygen level of the body to destroy the pathogens that create electrical imbalances and diseases. One really needs to experience all of the benefits of this therapy.*

**Ingredients:** Distilled water and a 28% mixture of sodium salts in solution. Sodium chlorite content 22.4%.

**Directions:** Use only as directed. See accompanying booklet. Follow instructions carefully, use activator as directed.

**Suggestions:** Great for periodic maintenance to rid the body of pathogens. Use alternate protocol for illness. Can be used topically and as sinus irrigation treatment with correct instructions.

**Clinical Notes:** Advanced Oxygen Therapy kills pathogens in the body such as bacteria, virus, fungus, protein based and protozoa which are the cause of numerous health conditions e.g. anthrax, food poisoning, Lymes disease, Peritonitis, Pneumonia, stomach ulcers, urinary infection, AIDS, colds, cold sores, Herpes, Hepatitis, HIV, all flues, Candidiasis, ringworm, MRSA, intestinal worms, poliomyelitis, and much, much more. Discovered by Jim Humble in an effort to save the lives of his Malaria infected team when isolated and too far from medical assistance. The men got well and Advanced Oxygen Therapy became introduced to the world. Advanced Oxygen Therapy is not a healer, it is a killer of pathogens which serves to strengthen immunity. Following specific protocol is imperative and should only be modified with professional advice.

## *Earth Borne 70+* Colloidal Plant Minerals

**Liquid**  
32 ounces / 960 ml

**Order Code: EB70+**

*A rich concentration of the most complete full spectrum of pure plant derived minerals we can find. Plant minerals come from prehistoric mined sources and are water soluble making them far more available for absorption in the body than metallic minerals.*

### **Ingredients:**

**Macrominerals:** Calcium, Carbon, Chloride, Magnesium, Phosphorus, Potassium, Sodium, Sulfur.

**Essential Trace Minerals:** Chromium, Cobalt, Copper, Iodine, Iron, Manganese, Molybdenum, Selenium, Zinc

**Ultra Trace Minerals:** Aluminum, Antimony, Arsenic, Barium, Beryllium, Bismuth, Boron, Bromine, Cadmium, Cerium, Cesium, Cobalt, Dysprosium, Erbium, Europium, Fluorine, Gadolinium, Gallium, Germanium, Gold, Hafnium, Holmium, Hydrogen, Indium, Lanthanum, Lead, Lithium, Lutetium, Neodymium, Nickel, Niobium, Nitrogen, Osmium, Oxygen, Palladium, Platinum, Praseodymium, Rhenium, Rhodium, Rubidium, Ruthenium, Samarium, Scandium, Silicon, Silver, Strontium, Tantalum, Tellurium, Terbium, Thallium, Thorium, Tin, Titanium, Tungsten, Vanadium, Ytterbium, Yttrium, Zirconium

### **Directions:**

1 ounce daily for maintenance.

**Advanced use:** up to 4 to 6 ounces throughout the day.

### **Suggestions:**

A must for everyone due to the depletion of elements in the food chain, organic or conventional

### **Clinical Notes:**

Earth Borne 70+ has a natural negative electrical charge. This has 2 very important benefits. First, the negative electrical charge greatly enhances the availability of the minerals as well as other nutrients from food. Secondly, the minerals having the negative electrical charge are the source of natural chelation of heavy metals and toxins from the body the way nature intended. "This unique mineral formula enhances the de-poisoning ability of the body in a very positive way. It activates and speeds the healing process, especially in the case of chronic illnesses." Dr Michael Zimmerman, Chief of Staff, CCITRP Uberlingen, Germany. Dr Fritz-Albert Popp, biophysicist and Noble Prize nominee from Germany concludes, this mineral formula is completely non-toxic and increases the life/electrical energy output of cells in the body beyond what he had previously established as optimum. He also states this mineral formula assists the body in removing heavy metals which have remained for decades.

# 100 + Probiotic Solution

## Liquid

4 ounce & 16 ounce containers

Order Code: 100+  
100+Ref

*A revolutionary dietary supplement of soil borne organisms in a balanced and harmonious solution to enhance digestion, increase nutrient absorption and broaden the parameters of immunity by repopulation of the digestive tract.*

**Ingredients:** A proprietary blend of over 100 strains of soil borne organisms consisting of Bacillus Arthrobacter, Flavobacterium, Pseudomonas, Rhodococcus, Coryneforms and Cyanobacterium in an amino acid base.

**Directions:** Shake before using. This is a live product and is shelf-stable at 60-90 degrees.

**Adults:** 2 eyedroppers or teaspoons per 100 lbs body weight.

**Young:** 1/2 the adult recommendation

**Advanced use:** 2 to 3 times suggested amount

**Suggestions:** Can be used topically as a wound treatment, foot and skin fungus, rashes, abrasions, irritations and infections.

**Clinical Notes:** The depleted soil of the present-day environment makes it impossible for us to have the supply of beneficial microorganisms in our systems needed to ensure the electrical availability of our food. There are over 700 scientifically identified and naturally occurring micro-organisms native to the human intestinal tract. While there are many varieties and strains of these, there are two types, those that colonize and grow in the digestive tract and others known as transient varieties which do not. The transient micro-organisms were once plentiful in the environment and food chain and were present in almost every bite of food, even in the air we breathe. As they are transient and do not colonize they must be supplemented continually. This product replenishes our digestive tract with a very broad spectrum of the beneficial transient micro-organisms which work to correct the imbalances caused by today's diet and environment. All naturally occurring micro-organisms provide a basis for our health and immunity through a process of enzymatic reaction.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

# Latero-Flora

## Powder

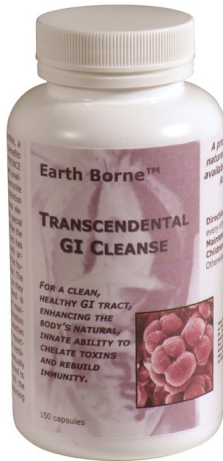

3.5 ounces / 100 grams

Order Code: Latero

*The one probiotic proven to keep candida in check. This BOD® strain feeds on pathogens. Since it is naturally soil borne it must be taken daily.*

- Ingredients:** Bacillus Laterosporus (B.O.D.® strain) and GMO-free maltodextrin.
- Directions:** Every morning, 20 minutes before eating, take one scoop (one teaspoon) orally. After one or two months reduce usage to half.  
Advanced use: up to 6 scoops a day (3 scoops in morning and evening)
- Suggestions:** Helps maintain a healthy colon thus enhancing the immune system. This is a transient, soil borne microorganism and must be introduced daily for optimum benefit.
- Clinical Notes:** The ultimate Candida fighter, this single, live microorganism creates a hostile environment against viruses, and increases antibodies to protect against them. This strain is a spore-bearing bacteria that has a casing that will easily survive the acids of the digestive processes, and so does a great deal of its work in the intestines, augmenting the immune system. It greatly enhances the efficacy of the 100+ Probiotic Solution. Beneficial after antibiotic regimen, x-rays, Cat Scan, mammogram, etc. Good for babies who have not had colostrum or breast milk, apply on the nipple, feed by fingertip or in baby food. Mix with water to form a paste for thrush, itchiness or fungal infection. Mix as a douche for vaginal yeast. For thrush/yeast/ Candida symptoms it is strongly recommended to undertake an immersion dose taking one jar per week for the first month or two or until symptoms respond.
- The B.O.D. strain of Bacillus Laterosporus is one of the most important finds in the natural health field in modern times. Found under the ice tundra it is one of the only bacteria that has not become mutated as a result of atmospheric nuclear testing.

\*These statements have not been evaluated by the Food and Drug Administration.  
This product is not intended to diagnose, treat, cure or prevent any disease.

# Earth Borne

## Transcendental GI Cleanse

**Capsules**  
150 count

**Order Code: EB TGI**

*A proprietary blend of a unique, natural electrically and biologically available form of Bentonite clay and Archaea microorganisms for a clean, healthy GI tract, enhancing the body's natural, innate ability to chelate toxins and rebuild immunity.*

**Ingredients:** Electrical Bioavailable Bentonite clay, archaea (an enzymatic mixture of active hydrocarbon oxidizing natural single celled microorganisms in an electrical bioavailable bentonite clay base)

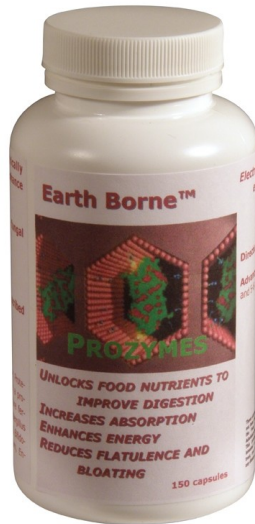

**Directions:** **Advanced use:** 2 capsules every other day  
**Maintenance:** 2 capsules every 3 days  
**Children:** 1/2 adult dose

**Suggestions:**

**Clinical Notes:** Bentonite clay consists mainly of montmorillite, a long used medicinal clay with well known benefits especially in intestinal health. The DIFFERENCE between this particular Bentonite and others available in the market is this specific type of bentonite clay has a very, very narrow moisture retention range and the average Bentonite does not have a full compliment of ocean trace elements. The exact type and location of this special bentonite clay is a well guarded secret. While the properties of bentonite are well known, ours has additional benefit in that it is blended with archaea, a microorganism meant to exist in the human gut in vast numbers and aid in digestion. The archaea take on the "shelflife" of the clay, so they remain dormant until consumed. This blend is naturally negatively electrically charged for maximum benefit and will attract toxins for elimination from the body. In fact, according to the Canadian Journal of Microbiology (2), bentonite clay can reportedly absorb pathogenic viruses, as well as herbicides and pesticides. The bentonite is eventually eliminated from the body with the toxins bound to its multiple surfaces. Archaea is nature's way to rid the body of heavy metals and toxins by consuming them.

\*These statements have not been evaluated by the Food and Drug Administration.  
This product is not intended to diagnose, treat, cure or prevent any disease.

# Earth Borne Prozymes

**Capsules**  
180 count / 500 count

**Order Code: PRZ**

*Exceptionally active plant cultured enzymes extracted through a proprietary process without the use of chemical solvents, thereby retaining their full potential. They are electrically available to the body and electrically stacked to maximize cooperation during the digestive process. After searching extensively for a quality enzyme, we believe that this is the absolute best available.*

**Ingredients:** Amylase, Cellulase, Maltase, Protease Papain, Protease Bromelain, Lipase in a proprietary soluble and insoluble fiber mixture fermented with Lactobacillus Acidophilus, Aspergillus Niger, Aspergillus Oryzac, Bacillus Subtillus, Bifidobacterium Bifidum, Lactobacillus Planterium, Enterococcus Faecium.

**Directions:** 2-5 capsules 20 to 30 minutes before your meals  
Advanced use: 5-10 capsules before meals and 5-10 capsules on an empty stomach  
Best use: Take before meals when DigestAssist is taken with meals.

**Suggestions:** To enhance enzymatic cleansing of the body take 8 to 10 at bedtime. To assist all disease recovery and for serious degenerative diseases enzyme intake can be greatly increased. In extreme cases up to 100 capsules daily can be beneficial. There is no toxic or overdose level

**Clinical Notes:** The conventional American diet degrades the body's ability to break down, process and assimilate food. Plant derived enzymes Electrically Formulated® with probiotics to enhance catalyst activity helps reduce Candida and fungal load, helps balance intestinal flora, helps correct pH balance, blood pressure, increases brain function, and does not interfere with prescribed medicines. Prozymes work to unlock food nutrients to improve digestion, increases absorption, enhances energy, reduces flatulence, and bloating. Can also improve antioxidant activity and contribute to improved cardiovascular conditions as well as boost immunity. Supports and enhances a healthy, flourishing intestinal terrain. Very beneficial for those with compromised or sluggish digestive processes as well as those with a history of intestinal disorder. These replenish the lost enzymes that many people are unable to produce during the digestive process, or those that are destroyed by improper fermentation, or are not available because of the degraded food supply. The body cannot function without enzymatic activity. All vitamin and mineral absorption is indexed to enzyme population.

This product is not intended to diagnose, treat, cure or prevent any disease.

## Earth Borne

### DIGESTASSIST

**Capsules**  
**150 count**

**Order Code: DA150**

*Electrically & Biologically available mineral and digestive food supplement fortified with enzymatic probiotics increases nutrient availability as well as mineral and protein assimilation.*

**Ingredients:** Microorganism strains of Lactobacillus Acidophilus, Lactobacillus Ceasel, Bifidobacterium Thermilum, Enterococcus Faccium, dried organic kelp, dried organic tomato pumice, dried organic whole milk, organic dehydrated eggs, organic potato starch, organic apple cider vinegar, organic aloe vera gel concentrate, amino acid complex, diatomaceous earth, attapulgitic clay, organic herbs; Cayenne pepper, peppermint, garlic, parsley, dandelion root extract, elder flowers, dandelion tops extract, ginger extract, German chamomile, lamon grass extract, thyme, sweet fennel extract, sweet basil, sage, cloves.

**Directions:** 2-3 capsules with meals

Advanced use; 5-6 capsules with meals and 5-6 capsules on an empty stomach.

**Suggestions:** To enhance the assimilation of minerals and amino acids

**Clinical Notes:** All ingredients are combined with a proprietary process called Electrically Formulated® to enhance each other. Once combined the ingredients are then fermented, dried and encapsulated, providing a digestive aid comprised of a completely different composition than that of the combined ingredients. Extremely effective aid in digestion and assimilation, increasing immunity and overall health. Supports a balanced intestinal microbiology.

# *Sal de la Luz* Sea Salt

**Crystals**  
**1 pound**

**Order Code: Salt**

*Coarse, moist and imported from the coastal areas of El Salvador, free from industrialization, our Sal de la Luz is genuinely natural with nothing added and nothing left out.*

**Ingredients:** Sea salt. Analysis (partial): Chloride 50.6%, Sodium 35.5%, Magnesium .429%, Calcium .315%, Strontium .00029%, Copper .000525%, Selenium .00029%, Manganese .00017% along with 56 other trace elements.

**Directions:** Use for all salting needs. Keep tightly sealed to retain moisture.

**Suggestions:** Use freely according to taste as a flavorful condiment. Add to drinking water to mineralize the body at the rate of 1/2 to 1 tsp per gallon with 8-10 drops of CellFood®. Can be used as an enhancing mineral bath.

**Clinical Notes:** Since the moist salt that had been leading the pack for so long has been compromised by the industrial leaching of lead and arsenic, it has become necessary to find another source. Since moist salt imparts more earth elements than any type of dry salt, it was preferable to replace it with another moist salt, so our search took us to the coastal areas of El Salvador. *Genuinely natural, with nothing added, and nothing left out. Absolutely the best salt we have found on our extensive search, with many more benefits than Celtic or Himalayan.* Sal de la Luz is a vital requirement for wellness. It is hard harvested and sun dried.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

# Cell Food

## Liquid

1 ounce

Order Code: CFood

*A proprietary formulation of a super energized mineral concentrate. It naturally provides the highest levels of oxygen and hydrogen to the body, helping to support overall improved energy, endurance and natural health and utilizes a unique water-splitting technology. Its unique structure oxygenates and feeds the cells— cleaning and tuning up the body's systems throughout the day.*

- Ingredients:** Dissolved oxygen, 78 ionic trace minerals, 34 metabolic and digestive enzymes, 17 amino acids and electrolytes
- Directions:** Mix 8 drops in 8 ounces purified water or juice up to 3 times daily. No refrigeration necessary
- Suggestions:** For use in all drinking water mix 8 drops per gallon of purified water with 1/2 to 1 tsp moist sea salt and (optional) 3 droppers 100+ Probiotics. This allows for more natural and efficient hydration of the body, reducing the amount of water consumption with increased hydration.
- Clinical Notes:** We are offering what we have found to be the best cell food available. Being negatively charged, Cellfood's combination of ionic minerals, enzymes, amino acids, electrolytes and dissolved oxygen is recognized by the body in the same way as normal healthy body fluids are, and so Cellfood is immediately able to pass through the membranes of the mouth, throat, and esophagus, directly into the bloodstream. It provides an unsurpassed oxygen and nutrient delivery system, and is absorbed quickly and efficiently by every cell in the body. Cellfood's unique structure oxygenates and feeds the cells, cleaning and tuning up the body's systems throughout the entire day. Cellfood is made from all-natural plant substances, and is yeast and gluten-free. This product is reported to be the only product known to neutralize free radicals in the body through its unique process of making the oxygen in the water molecule available for oxygenation. Cellfood can be used in conjunction with other nutritional supplements or medicines because it increases the bioavailability of these other substances enabling the body to more effectively use them. Many Cellfood users have reported within a few weeks or months of continual use, a gradual decrease in need for medication. If you are pregnant or under medical care, please consult your medical

# Colostrum

## Powder

6.3 ounce & 24 ounce jars

Order Code: Cstrm  
Cstrmlg

*Colostrum is the first food of life containing over 90 components to support human health, immunity and cell renewal. New Zealand colostrum herds are range fed and free of hormones, steroids and antibiotics, making them an exceptional source for nutraceutical grade colostrum .*

**Ingredients:** Colostrum from bovine dairy sources.

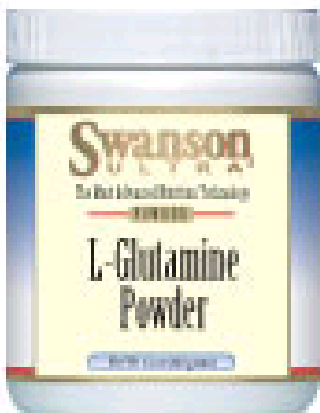

**Directions:** **Adults** use 1 tsp once daily on an empty stomach with 8 ounces water or under the tongue for 30 seconds and then swallow.  
**Children 6-12** years use 1/2 to 1 tsp daily, sprinkled over food.

**Suggestions:** **Advanced use:** 1 rounded scoop in water, milk or protein drink. May also be mixed with other foods or beverages. Take 30 to 45 minutes before exercise. Great immune system booster. Excellent for rebuilding gut bacteria after antibiotic treatment.

**Clinical Notes:** Consumption of colostrum turns on every electrical circuit at the time of birth for the newborn. As the world's leading body electrician, Mr. Denie Hiestand states: "There simply is no better disease recovery mechanism in nature, because the colostrum contains the electrical information to tell every cell to work and how to do it." It also supplies the perfect and complete food to ensure the cells have the energy and vitality for life. We recommend using Colostrum for all health and wellness issues. Incredible results have been reported as improvements in libido, menstrual problems, emotional imbalances, psoriasis, irritable bowel, chronic fatigue, cancer, etc. It is reported to protect against harmful viruses and bacteria reducing colds and flu, repair GI damage especially from infection, chemotherapy and medication, slows signs of skin aging, support blood sugar levels, increase fat burning capability, regulate serotonin and dopamine that can brighten moods, and on and on. Again, our extensive search led us to New Zealand where the bovine source is raised in a completely grass-fed natural environment. We KNOW that this is the best colostrum that can be obtained, anywhere.

\*These statements have not been evaluated by the Food and Drug Administration.  
This product is not intended to diagnose, treat, cure or prevent any disease.

# Glutamine

**Powder**  
12 ounces

**Order Code: LGL**

*L-Glutamine is the principal amino acid required by the GI tract. Specifically, it feeds the cells of the intestinal wall linings and must be supplemented to alleviate suffering from intestinal disorders. This is a pure, pharmaceutical grade product.*

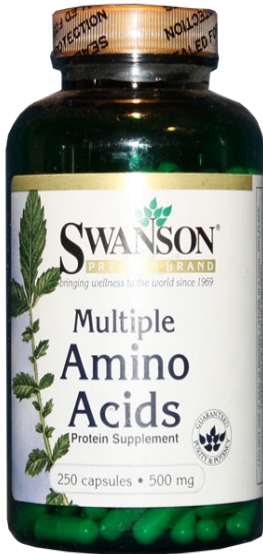

**Ingredients:** L-Glutamine

**Directions:** Best taken on an empty stomach.

**Suggestions:** As a dietary supplement, take 1 to 6 teaspoons a day with water on an empty stomach. Great for athletes and body builders. For relief from intestinal damage or disorders 15 to 30 grams daily may be required.

**Clinical Notes:** Glutamine is the most abundant free amino acid making up the muscles of the body. It is also prevalent in the liver, blood, brain and lungs. However, the small and large intestines require more glutamine than any other organ. Deficiency results in atrophy of the intestinal mucosa which can cause chronic constipation associated with Crohn's disease, ulcerative colitis, irritable bowel syndrome, etc. Osteoporosis happens when there is a deficiency and the body must rob itself to meet its needs. Regular diets will not supply sufficient glutamine to those who already suffer intestinal disorders as there becomes a vicious cycle of inefficient protein digestion and deficient glutamine levels causing intestinal atrophy and inability of efficient digestion. This makes supplementation necessary. Our pharmaceutical grade L-Glutamine is identical to naturally-occurring glutamine in the body and does not need to be predigested as do glutamine peptides. There are no know side effects from taking this supplement.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

## Amino Acids

**Capsules**  
250 500mg

**Order Code: AA**

*A comprehensive combination of 18 different amino acids which features high-grade dairy protein. Essential for metabolism as the building blocks of proteins*

**Ingredients:** Protein, Alanine, Arginine, Aspartic Acid, Cystine/Cysteine, Glutamic Acid, Glycine, Histidine, Isoleucine, Leucine, Methionine, Phenylalanine, Proline, Serine, Threonine, Tryptophane, Tyrosine, Valine, gelatin and magnesium

**Directions:**

**Suggestions:**

**Clinical Notes:**

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

## Friendly Flora

**Capsules**  
120 / 240 180mg

**Order Code: FLg / FLs**

*A unique combination of nature's superior flora, electrically formulated® to enhance the body's natural ability to achieve wellness.*

**Ingredients:** L. Salivarius and L. Plantarum OM in a rice protein base, No yeast, dairy products, or other allergenic components.

**Directions:** Take 2 capsules daily with water.

**Suggestions:** Assists in restoring and maintaining healthy intestinal flora.  
Keep refrigerated.

**Clinical Notes:** Classified as the most powerful probiotic strains by even the most elite health care professionals, these novel strains of friendly bacteria helps you to achieve remarkably new levels of success in colonizing probiotic supplementation! What makes this natural health product excel far above the rest is its exclusive, patented strain of Lactobacilli OM, which delivers unique documented proteolytic abilities to distinctly attack negative unfriendly pathogens (such as viruses and bacteria that often encase themselves in a protective protein shell). The L. plantarum, OM strain has, in one embodiment, proteolytic, anti-viral, anti-retroviral, anti-bacterial, anti-microbial, and anti-tumoral characteristics and uses. The dosage can be greatly increased and when taken together with Enzymes, the performance of each is enhanced. Increase dose for all detoxification, healing and gut rebuilding requirements. Clinical results show that doses of up 200 per day have greatly improved cancer remissions. A paste can be made with the powder for use internally or externally to enhance healing. Powder can be mixed with water and used as a gargle to freshen mouth, heal sore throats, and swish for tooth and gum remedy. Babies respond well to this bacteria, simply coat their tongue. Can be used as a vaginal douche for yeast infection or make a paste with water and use on infected area.

\*These statements have not been evaluated by the Food and Drug Administration.  
This product is not intended to diagnose, treat, cure or prevent any disease.

## Herbal Cocktail

### Powder or Capsules

9.8 ounces 280 grams powder / 225 750mg capsules

Order Code: HCp / HCc

*A unique combination of nature's superior herbs, electrically formulated® to enhance the body's natural ability to achieve wellness*

- Ingredients:** Hibiscus, psyllium husk, peppermint, licorice, cascara sagrada, Siberian ginseng, corn silk.
- Directions:** Take 1/4 to 2 teaspoons daily, shaken with orange juice, on awakening. Adjust amount until experiencing 1 or more comfortable bowel movements per day.
- Suggestions:** To promote healthy bowel movements, cleanse and rebuild the digestive tract. Acts as a powerful systemic (total) cleanse. Shaken into a morning drink once daily, 280 grams should provide for 2 + months.
- Clinical Notes:** Electronically formulated® for a safe and comfortable cleanse and detox; so harmonious to the body that it acts as healing food for the bowel. Safe and gentle yet powerful and unrelenting in its ability to clean the body completely. The electrical matrix of the Herbal Cocktail formula allows the cleansing process to take place from within the cells of the intestinal lining and bowel walls. The system is not scraped clean but rather rebuilt electrically from the inside out allowing the toxins and compressed matter to be released safely and gently. The primary action of Herbal Cocktail is not the normal hydraulic effect of other cleanses, but it has been designed to supply specific frequencies of energy to specific muscles within the colon and bowels to stimulate their ability to contract fully, thus the natural pulsing action of bowel movement is enhanced. Preferably mixed by shaking in a non-metallic container. Other natural juices can be substituted if necessary. Be prepared to change level of daily intake as this is an extremely powerful and active product. Ensure proper hydration. Long term use is recommended as the pockets of impacted material can take up to 4 years to safely clean and reconstruct. Very effective in reducing discomfort of hemorrhoids due to softening and ease of bowel movements. Best taken alone first thing in the morning 1/2 hour before other food or supplements. Formulated to be taken as a liquid due to enhanced absorbability and effectiveness over capsules. Can be slight variations in color due to seasonal fluctuations with herbs.

\* individual ingredients are uniquely formulated to create a synergy that is electrically available to the body

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

## H/C Plus

**Capsules**  
320 500mg

**Order Code: HCPL**

*More aggressive, yet with less fiber, HC plus is an electrically-integrated combination of herbs designed to massage in situations where there are infection problems or mucous in the bowels.*

- Ingredients:** Contains psyllium husk, licorice, cascara sagrada, red clover, kelp in a vegetarian capsule.
- Directions:** Take 1 to 4 capsules once or twice daily with a full glass of purified water or juice. Best taken on an empty stomach
- Suggestions:** Discontinue if adverse effects occur. Keep out of reach of children. Not recommended for pregnant or nursing women.
- Clinical Notes:** A more aggressive formula than that of the Herbal Cocktail formula with similar clinical effects (see page on Herbal Cocktail for full description). Best used in an alternating protocol with the Herbal Cocktail to avoid dependency on and/or lessening of effectiveness from either formula. Use one bottle of H/C Plus after using 1 to 3 bottles of Herbal Cocktail and continue in this manner.

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

## Scooby Juice

**Liquid**  
16 and 32 fluid ounces

**Order Code: SCOOPY16**  
**SCOOPY32**

*Our own hand crafted kombucha tea is made with nothing but organic ingredients and our special love vibration.*

- Ingredients:** 100% organic raw kombucha tea made from green tea and organic cane sugar naturally fermented with our own kombucha scoby. Fermentation produces lactic acid and lactobacteria.
- Directions:** Use daily as a refreshing, healthful beverage. Culture strands may occur as this product is raw and alive.
- Suggestions:** An excellent way to restore vitality and balance, soothe mild digestive upset, re-energize in your mid-day slump.
- Clinical Notes:** Kombucha tea is a centuries old beverage used to feed, support and recharge the body with known benefits to digestion, metabolism, immunity, alkalinity, appetite control, improving skin and hair, liver function and healthy cells. The fermentation process produces the formation of beneficial probiotics, amino acids, antioxidants, folic acid, acetic acid, glucuronic acid and enzymes. May contain a trace amount of alcohol as a result of fermentation >1%. Extreme over use can produce cleansing reactions such as light headedness, mild flu like symptoms, etc.

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

# Electrically Tuned Lymphaciser®

Mini trampoline

Order Code: Lymph

*Greatly enhances the body's electrical and biological systems promoting overall increased health. Electrically tuned creating a beneficial vortex of complimentary energy streaming with each bounce.*

**Ingredients:** Not applicable.

**Directions:** For lymphatic drainage, gentle bouncing for 15 minutes daily is beneficial.

**Suggestions:** Can be used as an aerobic conditioning exerciser or for any level of exercise desired.

**Clinical Notes:** An Electrically-tuned Rebounder is one that the manufacturing process, frame alloy components, spring tension, mat tension, and mat weave construction, have all been taken into consideration to ensure that the frequency generated from all the movement and tension mentioned above, produces a frequency of energy that, when vortexed by the rebounder is in harmony with the body's electromagnetic fields. Stress on joints and muscles are greatly reduced. Some of the benefits we have seen from using an electrically tuned Rebounder are; improvements with recovery from injuries, relieving back and neck pain, menstrual discomfort, helps balance blood pressure, increases lymphatic circulation, removal of toxins, strengthening cellular function, improves digestion, elimination of wastes, emotional balance, reduction of cholesterol and body fat, reduces emotional overloads, improves concentration and memory, slows aging and osteoporosis, etc. These benefits are a result of many physiological improvements in the body such as improved oxygen and respiratory levels, increased circulation of blood and lymph, strengthens muscles, connective tissues and tendons, the heart and other organs, increases tone in muscles and nerve fibers, exercise and resting become more efficient.

# *Inspirol*

## **Liquid**

4 ounces in 8 ounce bottle

**Order Code: Insp**

*A revitalizing Aromatherapy with powerful clarifying vapors recommended by Edgar Cayce for benefit in the throat, nasal and bronchial passages.*

**Ingredients:** Natural grain alcohol, Tincture of Tolu Balsam, Oil of Eucalyptus, Compound Tincture of Benzoin, Rectified Oil of Turpentine, Rectified

**Directions:** Shake contents gently to activate vapors inside bottle, remove cap and insert inhaling tube into center of airspace approximately one inch. Inhale slowly and deeply. Can be used in either nostril or inhaled through the mouth. For more effective use hold fumes in lungs for 20 seconds before exhaling. Use as often as desired.

**Accidental Inhalation of liquid** will irritate mucous membranes. Some people may experience irritation from vapors, if so, discontinue.  
**FLAMMABLE LIQUID! KEEP OUT OF REACH OF CHILDREN.**

**Suggestions:** Great for colds, hay fever, asthma, bronchitis, sinusitis, cough, etc. Keep a bottle on hand for fast relief. Use as an *aromatherapy* agent. For refreshing air in your home Inspirol can be diluted with water and heated.

**Clinical Notes:** Recommended to create an antiseptic condition in the lungs, bronchials and sinuses, and to stimulate expectorant action when inhaled to rid the area of mucous. Our clinical experience indicates inhaling vapors has a detrimental effect on fungus and bacteria while soothing to the mucous membranes in the mouth, throat, sinuses and lungs.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

## Tooth Oil

**Liquid**

1 fl oz 30 ml

**Order Code: Toil**

*This electrically Formulated® masterpiece of essential oils penetrates deep between teeth and within gums to break down plaque and promote fresh breath naturally.*

**Ingredients:** Essential oils of Almond, Peppermint and Spearmint

**Directions:** Rinse toothbrush, apply 1 to 3 drops Tooth Oil and brush as usual.  
Safe for all ages.  
Keep out of reach of children

**Suggestions:** Can be used as a refreshing mouthwash. For hiccups, place 1 or 2 drops on tongue, hold in mouth for a few seconds and swallow.

**Clinical Notes:** 100% botanical all natural product. Very effective for fresh breath as it creates a hostile environment for bacteria that can cause bad breath and tooth decay. Reduces plaque buildup and stains on teeth. Helpful to also gently brush the roof of the mouth, gums and tongue. Traditional toothpastes contain carcinogens such as SLS (sodium lauryl sulfate) an industrial foaming agent found in engine degreasers and propylene glycol an industrial anti-freeze used to prevent separation of ingredients during shipping and storage as well as fluoride, also an industrial by-product of the aluminum and nuclear industries which causes premature births, brain degradation, bone loss, cancer and hormone disruption.

**\*These statements have not been evaluated by the Food and Drug Administration.  
This product is not intended to diagnose, treat, cure or prevent any disease.**

## Body Splash

**Liquid**

4.7 fl oz spray / 16.9 ounce Refill

**Order Code: BdSp**

*Revitalizing and uplifting any time of day, our unique Body Splash combines only the finest grade, specially selected 100% pure essential oils. Thanks to its unique electrical formulation, Body Splash quickly softens, nourishes, and beautifully tones the skin. A refreshing body moisturizer after the shower. So hydrating to the skin, Body Splash is commonly used to help prevent burning or damage from overexposure to the sun. This botanical citrus blend also works great to repel insects. 100% botanical, all natural product safe for all ages and skin types.*

**Ingredients:** Specially prepared oils of Almond, Lime and botanical fragrance oils

**Directions:** Spray sparingly over entire body, massaging extra into drier areas.

**Suggestions:** Use as a refreshing after shower or after swim body treatment. Can be used as a deodorant. Moistens skin to allow for more sun exposure.

**Clinical Notes:** Being Electrically Formulated® increases therapeutic action. Helps detoxify the skin surface and lessen skin damage as a sun conditioner that helps neutralize severe effects of sun rays. Electrically protects the skin from chemical bombardment when used before swimming and other potential chlorine contamination. The citrus oils help repel both mosquitos and biting flies without chemicals. Useful for removing stains from paints, gardening and other chemicals that lodge in the pores of the skin without having to use cleaning chemicals.

## Electric Body

### Skin Elixir

Cream

5 fl oz

Order Code: EB SE

*Based in New Zealand Colostrum containing organic Aloe Vera a fabulous all-in-one face and eye cream for all your skin needs. Zero parabens or petrochemicals. Only pure life-giving ingredients. Energetically combined award winning anti-aging technology for your skin. Safe for you and your family. Bio-available, Electrically formulated®, Electrically available®.*

- Ingredients:** New Zealand Colostrum , MSM, Tocotrienol, Coconut palm wax, Organic Aloe Vera, Emu Oil, Hydrogen Peroxide, Hemp Seed Oil, Omega 3 & 6 essential fatty acids, Silica, Bentonite Clay, Zinc Oxide, Colloidal Silver, Blueberry extract, Fragrant blend of - Orange Peel Oil, Lemon Peel Oil and Vanilla Oil, Potassium Sorbate
- Directions:** Can be used day and night as an anti-wrinkle, anti-aging moisturizer/toner as well as a repair treatment for all other skin concerns.
- Suggestions:** Primarily for the face and neck area but can be used on any part of the body. For all skin types and all skin needs. This formulation has powerful anti-aging and anti-wrinkle properties due to the main ingredient being colostrum. New Zealand Colostrum is one of the most anti-aging, cell health promoting natural compounds known. Electric Body offer healthy skincare and natural beauty products that you know are safe for you and your family. Our Skin Elixir can also be used on any other part of the body, internally as well as external.
- Clinical Notes:** Free from harmful chemicals & preservatives. Free of petrochemicals, alcohol and parabens. Healthy skincare! It helps skin to recover from cosmetic/surgical procedures, wounds, insect bites, burns, infections, cold sores, mouth ulcers, yeast infections, and other skin irritations and can help to minimize the appearance of scars. This unisex product contains no artificial fragrances or compounds making it the ideal choice for those with sensitive skin or chemical sensitivity. Natural beauty products that you know are safe for you and your family. Effective on dry skin patches, after shaving, safe on nappy rash, nipple rash, and is recommended by gynecologists for mothers and their babies. Electric Body® Skin Elixir is one of the most efficient, natural, bio-available, biologically-alive, skin-rejuvenating, healthy skincare products on the market today.

## Electric Body Body Polish

Crystalline powder  
5 fl oz

Order Code: EB BP

*Body Polish is an exfoliating cleanser to smooth and pamper your face and body. A gentle exfoliating cleanser for the face and body containing New Zealand Colostrum and natural salts. No Parabens or Petrochemicals. Great for the shower or bath. Natural skin care for you and your family. Energetically combined, Electrically formulated® Electrically available®.*

- Ingredients:** Epsom Salts, Sodium Bicarbonate, Calcium Carbonate, New Zealand Colostrum
- Directions:** Wet skin, pour a teaspoon or more of the Body Polish onto the palm of your hand, or onto a face cloth, and then massage vigorously, all over your face, for at least a minute, keeping eyes shut. Rinse thoroughly. Repeat over the remainder of the body, if desired.
- Suggestions:** It is important to massage the polish for at least a minute with firm, vigorous strokes to allow time for the dead skin cells to soften and be sloughed off. Can be used as a daily cleanser to remove makeup. Try adding 2-3 capfuls in the bath to soften and invigorate all skin cells. Also effective in a foot bath to soften and cleanse feet or as part of a pedicure. We liken this process to polishing a piece of fine of wood; to achieve perfection and retain the grain you need to use fine grained sandpaper not
- Clinical Notes:** Electric Body natural skin care is conceived with a different level of thinking - the Body Polish is no exception. When viewed under a microscope skin resembles a series of mountain ranges. To achieve smooth skin one needs to gently remove these microscopic ridges. This cannot be achieved with an oil based exfoliant due to the fact that oil is a lubricant and creates a film between the exfoliating compound and the skin. Electric Body Body Polish is a water based gentle exfoliating cleanser. Being water based it is far more effective and much gentler than most other beauty products. Our Body Polish uses natural compounds, such as calcium carbonate, that soften the ridges and smoothes the surface of the skin just like fine sandpaper on beautiful furniture. To further enhance the product we have included New Zealand Colostrum to nourish and rejuvenate the skin and salts to cleanse and

## Micro-Sol™

**Liquid**  
4 oz / 8 oz spray

**Order Code: MSol4 / MSol8**

***Eliminates mold and odors everywhere. Micro-Sol™ is our proprietary and patented solution used to safely remove mold, organic odors and harmful environmental allergens. In short, Micro-Sol™ uses nature to work with nature to resolve the situation and put the environment “back in balance”.  
Examples of organic odors: animal urine, garbage cans, stinky shoes, vomit, litter box, etc.***

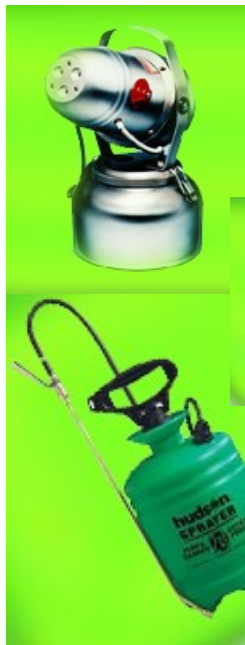

**Ingredients:** A proprietary blend of over 100 strains of soil borne organisms consisting of Bacillus, Arthrobacter, Flavobacterium, Pseudomonas, Rhodococcus, Coryneforms, Brevi, and Cyanobacterium in a natural organic suffocant and amino acid base.

**Directions:** Shake before applying. Spray a few pumps anywhere mold or odor occurs. Saturate lightly. Leave for 24 to 48 hours for maximum results. Contains a small amount of natural organic suffocant (soap). Keep out of sunlight. Store at 60 to 90 degrees and away from all EMF's. Keep away from synthetic compounds as these may cause this product to lose its effectiveness. E.g. traditional cleaners, bleach, hand sanitizer, etc.

**Suggestions:** Works in the air, on carpet, upholstery, wood, vinyl, in the car, bathroom, air vents, humidifier, etc. even on your plants. Works to remove plant infestations. This is a living culture and will do no harm. If clean up is necessary enzyme cleaners will remove residue. To maximize cleanup use Enzyme cleaners from Environotics Unlimited to keep the environment free of chemicals and other toxins.

**Clinical Notes:** Micro-Sol™ contains live microorganisms that use mold, human and animal waste, sweat, blood, foodstuffs and other odor causing molecules as their food source. During the digestion process of these molecules Micro-Sol™ actually returns the affected area to a more natural, odor free and balanced environment.

**Small Home and Auto Kit**

- Fogmaster Junior
- Hudson Pump Sprayer
- Half Mask reusable  
with filters
- 1 Gallon Micro-Sol™ Kit
- 1 gallon Micro-Sol™  
solution additives
- Instructions

**Description:** MicroSol™ is our proprietary mixture of soil borne microorganisms that are used to safely and efficiently remove mold, organic odors and harmful environmental allergens. In short, MircoSol™ uses nature to work with nature to resolve the situation and put the environment “back in balance”.

When the MicroSol™ process is applied, nature goes right to work. The special blend of microorganisms quickly devour harmful components and when they are done the remnants of the process are easily disposed of. Most other removal techniques employ harsh chemicals that leave residual effects that can cause harm in the future. The MicroSol™ results are superior to other “eco-friendly” products in that a by-product of the process is enough residual microbe which will often reactivate should the area return to conditions that could cause re-population. The solution is applied directly to affected areas and is safe and effective for any environment. The range of variables that surround these “nature out of balance” situations makes it difficult to estimate the amount and duration an application will require, however it is a completely organic and naturally safe application. While today’s hi-tech and advanced methods may quickly resolve problems such as the existence of mold, odors and harmful bacteria, many of these technologies result in even more severely polluting chemical residues.

## BeeAssist Kit

**Liquid Mineral Buzz**  
1 gallon Large, 32 ounce Small

**Probiotic Powder**  
29.5 ounce, 6 ounce Small

**Liquid Probiotic Nectar**  
32 ounce Large, 8 ounce Small

**Order Code: BKit or BKitCom**

*Our BeeAssist probiotics offer the honey bee better digestive parameters and the added immunity and natural chelation of environmental pollution. When you offer the BeeAssist minerals and probiotics to your honey bees you are offering hope to the future of the planet and all who are directly or indirectly effected by the honey bees job.*

### Ingredients:

**Probiotic Nectar:** A broad, diverse and stable population of live, naturally occurring SBO including Bacillus Arthrobacter, Flavobacterium, Pseufomonas, Rhodococcus, Coryneforms and Cyanobacterium in an amino acid and negatively charged, broad spectrum plant mineral base with stabilized oxygenated water.

**Probiotic Powder:** A concentrated population of Archaea and Bacillus Laterosporus BOD™ in a naturally occurring negatively charged, bioavailable Bentonite and maltodextrine base.

**Mineral Buzz:** A correct, broad spectrum of naturally occurring minerals.

### Directions:

Shake liquid before using. Offer free choice to the bees with easy access. Protect from direct sun, temperature extremes and moisture. Store out of sunlight and away from EMF's between 60 and 90 degrees. Keep out of reach of children.

### Suggestions:

Can be used in a frame feeder in a free choice manner to the honeybees.

### Clinical Notes:

Intended to aid the Honey Bee's digestion and enhance immunity. Causes natural chelation of toxins derived from agricultural and cosmetic pesticides, synthetic fertilizers, GMO's and other environmental toxins and pollutants. This product is environmentally safe, totally organic and non-pathogenic. Has been used on commercial hives recovered from obvious wasting, which then pollinated and produced a honey crop in the same year.

### Express Warranty:

Seller warrants that the product conforms to its biological description but makes no warranty expressed or implied, concerning the use of this product other than indicated on the label. Consumer assumes all risks of this product when such use is contrary to the label directions.

# Earth Borne

## PetPro

### Liquid

4 ounce Dropper Bottle / 16 ounce Refill

### Order Code: Ppro

Promotes health and immunity. Helps maintain proper weight, shiny coat, prevents digestive disorders, bad breath and tooth decay.

- Ingredients:** A proprietary blend of over 100 strains of soil borne organisms consisting of Bacillus Arthrobacter, Flavobacterium, Pseudomonas, Rhodococcus Coryneforms and Cyanobacterium.
- Directions:** Shake before using. Store out of sunlight, away from EMF's. Keep between 60 and 90 degrees Fahrenheit.
- Suggestions:** 1 dropper for every 50 pounds of weight, daily. Dispense orally or on food.  
**Advanced use:** 2 to 3 times suggested dose.  
Use for digestive problems. Can be used in the ear to help resolve ear mites.
- Clinical Notes:** These microorganisms were once found everywhere in the environment in almost every food source and are now virtually nonexistent. Since this is a blend of naturally occurring, transient microorganisms there are no known side effects and they must be supplemented continually for maximum benefit. They allow the body to be healthy and pathogen resistant and they help control internal and external parasites. A sufficient supply of microorganisms and minerals in the diet will ensure proper digestion and eliminate digestive disorders when feeding a biologically correct diet. May eliminate or reduce the need to inoculate with chemicals. Natural microorganisms can help prevent and relieve fleas, ticks and odor.

## Earth Borne

### AquaticPro

#### Liquid

4 ounce Dropper Bottle / 16 ounce Refill

#### Order Code: Aqua

*Create a natural, healthy environment in any aquarium.  
Keeps fish healthy, tank clean and water balanced.  
Eliminates algae buildup, reducing the frequency of  
cleaning. Breaks down fish waste and keeps aquatic  
environments clean and odor free.*

**Ingredients:** A proprietary blend of over 100 strains of soil borne organisms consisting of Bacillus Arthrobacter, Flavobacterium, Pseudomonas, Rhodococcus Coryneforms and Cyanobacterium.

**Directions:** Shake before using. Store out of sunlight, away from EMF's. Keep between 60 and 90 degrees Fahrenheit.

**Suggestions:** 1 ounce of supplement per 10 gallons of water

**Clinical Notes:** The delicate balance in a fish aquarium is far easier to maintain and remains stable much longer without intervention when nature's microorganisms are present in the strength of populations that nature provides. Filters stay cleaner longer and common issues with ph and bacteria are significantly reduced if not eliminated.
